READING!

It has been encouraging to see so much enthusiasm for reading in KS2—but we can still do more! Beswick Library is only a 5 minute drive from school, or an easy bus ride and walk. The library is full of books and they host lots of exciting clubs and activities such as coding clubs. This is not the only great library around here—our library at Varna is open and thriving! There are lots of new books and our group of highly qualified librarians will be more than happy to assist you!
