What should children do if they see someone else being bullied?

In our school we all take responsibility in keeping each other safe.

- It is never OK to see someone bullied and not do anything
- Make sure the person is OK
- TELL SOMEONE you trust in school or at home

The Head Teacher, Governors, Staff and School Council will work together to:

- Make our school a place where everyone can feel happy. That means no bullying allowed.
- We will help everyone to get on with each other and we believe that everyone has the right to feel safe and be themselves.

STRATEGIES FOR DEALING WITH BULLYING

1. We will use our behaviour policy effectively to promote good behaviour so that there is an ethos where bullying is unacceptable.
2. All will be expected to be vigilant and to intervene immediately and effectively if any bullying is observed or reported.
3. Learners will be encouraged to report bullying and when they do so they will be listened to and taken seriously.

The following is a list of actions available to staff depending on the perceived seriousness of the situation. If bullying is suspected/reported:

- The head teacher will be informed.
- A member of staff will be nominated to carry out an initial investigation.
- The member of staff will talk to and listen to the suspected victim, and any witnesses, making sure that the children feel safe to talk.
- The member of staff will talk to the bully about what has happened, to discover why they became involved. They will make it clear that bullying is not tolerated at Varna Community Primary School.
- The problem will be identified and possible solutions agreed.
- Sanctions from the behaviour policy will be applied.
- Parents will be informed on all matters identified as bullying.
- If the situation is not resolved, then a behaviour plan may be written.
- All incidents of bullying will be recorded as such on CPOMs.

Action to be taken to support the victim:

- Environmental changes will be made if necessary – classroom, playground to ensure that child feels more secure.
- Staff must communicate with other staff and record, where relevant, any incidents or concerns in CPOMs.
- The situation will continue to be monitored to ensure no repetition.
- Key friends identified by the child will be asked for extra support through the friendship buddy programme.
- Children will be observed at break times, lunchtimes and in the classroom. Any follow-up findings will be recorded on CPOMs.
- The child will nominate an adult in school whom they trust and feel they can talk to.
- The child will be made aware of the importance of immediate reporting of any further incidents.
- Parents will be invited into school so that action taken can be shared.
- The inclusion team and the class teacher will work together to assess whether the child needs support in the development of social skills – assertiveness, language skills.

Action to be taken to support the bully:

Type and method of support will depend on individual needs, age and maturity of the child.

- It may be suggested that the children involved meet with the support of their class teachers and a peer support group may be put in place. A Restorative Practice based conversation will take place.
- It will be made clear to the child that their behaviour is unacceptable because of the effect that it is having on the other child.
- The child may be asked what they hoped to gain by their behaviour – if their answer indicates that a need is not being met, this will then be addressed through discussion with parents.
- The child will be reminded that they are responsible for their behaviour and there are consequences for poor behaviour.
- Sanctions for behaviour may include:
A behaviour support plan with sanctions and rewards: e.g the removal of breaks, lunchtimes – parents will be informed which sanctions will be used.
- Following the implementation of a behaviour plan, if the behaviour persists, then outside agency support may be requested to address the needs of the child, with the permission of parents.

Role of Parents

Parents have an important part to play in our anti-bullying policy. We ask parents to:

- Look out for unusual behaviour in your children – for example, they may suddenly not wish to attend school, feel ill regularly, or not complete work to their usual standard.
- Always take an active role in your child's education. Enquire how their day has gone, who they have spent their time with, etc.
- If you feel your child may be a victim of bullying behaviour, please inform school. Your complaint will be taken seriously and appropriate action will follow.
- If you feel your child has been bullied by another child, please do not approach that child or the child's parent on the playground, please inform school immediately.
- It is important that you advise your child not to fight back. It can make matters worse!
- Tell your child that it is not their fault that they are being bullied.
- Reinforce the school's policy concerning bullying and make sure your child is not afraid to ask for help.

OUTCOMES

The Head Teacher, Governors, Staff and School Council will work together to:

- Make our school a place where everyone can feel happy. That means no bullying allowed.
- We will help everyone to get on with each other and we believe that everyone has the right to feel safe and be themselves.
